

The Nostrand Gardens Civic Association is Uniondale's oldest civic association and has served as a strong voice in the Uniondale community since 1954. Our organization is pro-law enforcement, anti-drug, and anti-crime. Our members include teachers, police officers, seniors, housewives, business owners, corporate managers, influential clergy and elected officials – in other words, people from all walks of life. We are action-oriented and committed to making positive changes in Uniondale.

Annual membership fee \$10.00 per person
